

Dear Subscribers,

During Jayant Bhandari's recent [Capitalism and Morality Seminar](#), Thunderstruck Resources' President and CEO Bryce Bradley discusses why their zinc, copper and gold assets in Fiji represent an enticing speculative investment.

This interview can also be viewed at Tom Wallace's [Junior Insider](#).

Thunderstruck is currently raising capital to finance its 2017 exploration program ([see July 24 press release](#)). Please visit www.thunderstruck.ca or email President/CEO Bryce Bradley at bryce@thunderstruck.ca for more information.
