October 24, 2025 – Vancouver, British Columbia – Thunderstruck Resources Ltd. (the "Company") announces that it has entered into a debt settlement agreement dated October 24, 2025 with its Chief Executive Officer, Bryce Bradley, to settle $155,000 of unpaid salary, accrued over a 31 month period, by issuing 3,100,000 common shares of the Company at a deemed price of $0.05 per share (the "Settlement Shares"). The Board of Directors, with Ms. Bradley abstaining, believes that it is in the interests of the Company to preserve the Company's cash for ongoing operations and exploration activities.

The completion of the debt settlement is subject to customary closing conditions, including the approval of the TSX Venture Exchange. The Settlement Shares will be subject to a statutory four-month hold period from the date of issuance.

The debt settlement will be a "related party transaction" under Policy 5.9 of the TSX Venture Exchange and Multilateral Instrument 61-101 – Protection of Minority Security Holders in Special Transactions ("MI 61-101"). The debt settlement is exempt from the minority approval and formal valuation requirements of MI 61-101 pursuant to subsections 5.5(a) and 5.7(1)(a) of MI 61-101 as neither the fair market value of the debt, nor the fair market value of the shares to be issued in settlement of the debt, exceeds 25% of the Company's market capitalization.
